Missionary of the Week

**Rachel & Brennan
McCarthy**

**Missionary Training
International
USA**

As of January 2024, Rachel officially transitioned to a different team at MTI with her focus primarily on debriefing missionary kids in day-to-day ministry. With this new role comes a different yearly schedule working on various projects, one called CHIPS, which stands for "Children's Intercultural Programs," the team's social media, and with internships. She participated in various conferences and workshops to broaden her knowledge of being an MK (missionary kid) caregiver. Pray for this important ministry area, for staffing needs, and for the replacement of a much needed car.

For more information go to the NEW 2024 IBC Missionary Prayer Journal, now available in the IBC Welcome Centers.
